

IMC-SEME 2026

Instructions for Authors

1. General Submission Guidelines

Authors are invited to submit original, unpublished research papers aligned with the conference themes. Submissions should not be under review elsewhere. English is recommended for wider accessibility.

2. Paper Formatting Requirements

Use the official template. Format: PDF, A4 size, Times New Roman font, 4–10 pages, 1 inch margins, proper heading structure.

3. Paper Structure

Include: Title, Authors, Abstract (150–250 words), Keywords, Introduction, Methodology, Results and Discussion, Conclusion, References.

4. Referencing Style

Use APA, IEEE, or similar styles consistently. Ensure all sources are properly cited.

5. Submission Process

Submit via official platform or email in PDF format. Ensure formatting compliance before submission.

6. Review Process

All papers undergo peer review based on originality, quality, relevance, and clarity.

7. Acceptance and Registration

At least one author must register for inclusion in proceedings.

8. Presentation Guidelines

Papers may be presented orally, virtually, or as posters.

9. Publication

Accepted papers may appear in conference proceedings or partner journals.

10. Ethical Considerations

Plagiarism and unethical practices are strictly prohibited.

11. Important Notes

Ensure compliance with guidelines. Late or incomplete submissions may be rejected.
